ASHA BENAZIR K

CAREER OBJECTIVE

Seeking a challenging position in the field of Computer Science and Engineering to apply my skills in software development and contribute to innovative solutions.

EDUCATIONAL QUALIFICATION

BE in Computer Science And Engineering   **7.59**
Rathinam Technical Campus

Higher Secondary Certificate   **78%**
Seventh Day Adventist Higher Secondary, State Board, Tiruchirapalli

Secordary School Leaving Certificate   **69%**
Seventh Day Adventist Higher Secondary, State Board, Tiruchirapalli

PROJECTS

1. **Foodie-Fiesta: A Food Ordering Experience**

- Developed a user-friendly front-end interface for a food ordering website using HTML, CSS, and JavaScript.
- Implemented features such as menu browsing, item selection, and order placement to provide a seamless ordering experience for customers.

2. **ElegantCart: Browsing the Ecommerce Universe**

- Created a visually appealing front-end interface for an ecommerce website using HTML, CSS, and JavaScript.
- Designed and implemented features like product browsing, search functionality, and cart management to enhance the shopping experience for users.

WORKSHOP

Automotive Embedded Systems
Participated in PSG College of Technology's "Automotive Embedded Systems" workshop, gaining expertise in embedded systems for automotive applications. Explored real-world case studies and projects, gaining insights into industry trends and requirements.
